

Title: Top New Gay Movies on Netflix

Meta: Looking for something to watch on Netflix that gay guys just have to love? Check out this exciting list!

Post: Philly Mag recently published a '14 Best New Gay Movies On Netflix Streaming' [article](#) so that anyone in the US that has access to the streaming platform can get their hands on some great new movies.

We'll let you take a look at the whole article for yourself, but here are the three of our top tips for the latest gay movies to hit Netflix:

Call Me Kuchu

<http://www.youtube.com/watch?v=M1m020Mp39E>

A Ugandan man deals with living in a country that doesn't recognize his sexuality as being a valid thing. Be warned that this can be quite an emotional journey and will open your eye to the Ugandan public's views of homosexuality.

Eyes Wide Open

<http://www.youtube.com/watch?v=rwBaS6m3q5c>

A Jewish man hires a young worker that he eventually ends up falling in love with. Like the previous film, this story takes a look at how the Jewish orthodox community responds to homosexuality. Well worth a watch if you enjoy emotional rollercoasters.

Going Down In La-La Land

<http://www.youtube.com/watch?v=BZCsXrM-IuE>

Hollywood and glamor: this is one sideways look at the gay community in the movie capital of the world. Adam arrives in LA and is hoping to make himself huge in the movie business, but how will his fame be influenced by the fact that he's gay?

If you want to take a complete look at the list, check out the [Philly Mag article](#).
